BOOT SPACE (LITRES)	211	211	211

*Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Please contact your preferred MINI Garage or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.
